

Cut the Cord and enjoy the savings!

... with **WIRELESS RADIO** Fire Alarm Monitoring from Total Fire & Safety

- Preferred by most fire departments as faster, safer and more reliable than phone line-based systems.
- Lose the land lines and save up to 25% each month.
- Eliminates phone service rate hikes, taxes and maintenance.
- Wireless radio alarm monitoring fees *guaranteed* for five years.
- High quality *Vigilant™* brand equipment for top performance in all conditions.
- Eliminates false alarms to the fire department and additional costs when phone lines go down.

Custom installation and 24/7 maintenance from Total Fire & Safety, your total source for fire, safety and security for more than 20 years.
